Plaintiffs, through counsel, request an extension of time to respond to the motion to dismiss filed by the defendant, Salt Lake City Corporation. Plaintiffs seek an extension of fifteen days. The current due date is November 20, 2002. Alternatively, plaintiffs request that the court establish a briefing schedule at the scheduling conference called by the court for

November 19, 2003. There are currently cross motions to dismiss and for a preliminary injunction that are pending before the court that will be addressed at the scheduling conference.

Additionally, the Corporation of the Presiding Bishop of the Church of Latter-Day Saints, has filed a motion to intervene. The LDS Church has simultaneously filed a motion to dismiss even though its motion to intervene has not been acted on. While the motion to dismiss filed by the LDS Church is premature, we ask that the court toll the response date until the motion to intervene is granted or denied.

Dated: November 12, 2003

Respectfully Submitted,
