

BREAKING EVERY CHAIN!

EXPLORING THE ROLE OF FAITH COMMUNITIES IN CRIMINAL JUSTICE REFORM

How are families in your congregation impacted by **interactions with the police**, **criminal activity**, **drug & alcohol influences**, **time spent in jail**?

Do you struggle to **help nurture members away from drugs, alcohol and criminal influences**, or to **welcome them back after time behind bars**?

Calvary Baptist Church, the Catholic Diocese of Salt Lake,
Journey of Hope and the Utah Prisoners' Advocate Network

invite you to join us for a **free breakfast** and opportunity to **discuss how we, as communities of faith, can better respond to the needs of our congregations** as related to criminal justice concerns.

This is a great event for **pastors, bishops, youth group leaders, prison ministry volunteers, curious and caring church-goers**, and anyone who is impacted by these issues! We are hosting two upcoming gatherings, and hope you will join us for the one that is closest to you.
