Civil Case No.: 2:18-cv-58 BSJ

AMENDED COMPLAINT

DEMAND FOR JURY TRIAL

Plaintiffs Munir Yañez Marquez, Maria Concepción Garcia Sanchez, Gilberto Noé Yañez Garcia, Enrique Moises Yañez Garcia, A.M.Y.G (a minor, age 16), and C.A.Y.G (a minor, age 13), (collectively the “Plaintiffs”), by and through counsel, hereby complain against Defendants, and state and allege as follows:

COMPLAINT

1. Plaintiffs bring this civil rights action to hold Defendants to account for multiple violations of their constitutional rights, including their rights under the Fourth Amendment of the United States Constitution, and seek a just remedy for those violations.

2. On August 20, 2018, Defendants violently and unlawfully raided and searched the Plaintiffs’ home without a warrant.

3. Defendants’ purported purpose for being at Plaintiffs’ home was to arrest José Yañez, Munir’s adult son, for violating his probation in a misdemeanor crime he had entered a plea deal to several years before. Although officers had arrested José once while he was visiting Plaintiffs’ home the year before, José did not live at Plaintiffs’ home on August 20, 2018, and had not lived there since the Summer of 2017.

4. Defendants were aware that José was not living with Plaintiffs on August 20, 2018. In the months prior to that date, some Defendants had already visited Plaintiffs' home at least twice to look for José, and Plaintiffs had explained that José did not live there.

5. During the August 20, 2018 incident, Defendants broke down the doors of Plaintiffs' home with a battering ram and entered using a riot shield and armed with assault weapons.

6. Defendants used a riot shield to tackle Maria against a sewing machine, touched her inappropriately, then threw her onto the couch, handcuffed her, and forced her outside her home. Defendants Chappell, N. Griffiths, Yates, and John Does 1-3 tackled Munir, pinned him to the ground, flipped him on his back, and repeatedly used a Taser on him for about 45 seconds. Defendants N. Griffiths, Walser and John Does 4-5 handcuffed Gilberto, then forced him outside his home. One or more of the Defendants pointed automatic weapons at Enrique's head and handcuffed him, despite Plaintiffs telling his assailants that he was a minor. (He was 17 at the time.)

7. The other minor children, A.M.Y.G. and C.A.Y.G., watched in horror and disbelief as law enforcement officers attacked their parents and older brothers in these ways, as Defendants detained A.M.Y.G. and C.A.Y.G.

8. After forcing the adult Plaintiffs outside, Defendants N. Griffiths, Jindra and John Does 6-7 commanded minors A.M.Y.G. and C.A.Y.G. to jump out through the dining room window. Following instructions, Plaintiffs A.M.Y.G. and C.A.Y.G. exited the home through the window. Defendants Salgado, A. Griffiths, and John Does 8-9 then detained them on the sidewalk for two and a half hours. Plaintiffs A.M.Y.G. and C.A.Y.G. were barefoot for the entire two and a half hours.

9. At no time during Defendants' violent intrusion into the Plaintiffs' home did any Plaintiff, but particularly the three minors, pose any threat to Defendants.

10. Once the Plaintiffs were outside, Defendants Roberts and John Does 8-12 conducted an unlawful, destructive search of the family home, causing extensive damage. During the search, one or more Defendants found and stole approximately \$7,000 in cash from Plaintiffs' home.

11. Defendants A. Griffiths, N. Griffiths, Salgado, and Smith, and any other responsible supervisors, authorized and directed this unlawful search and seizure.

12. Defendants violated Plaintiffs' clearly-established constitutional rights by forcibly entering and searching their home, applying excessive force against

them, and unreasonably detaining them without having reasonable suspicion to believe any Plaintiff had committed any crime.

13. Plaintiffs live with the physical and psychological effects of Defendants' unconscionable and violent actions to this day, and will have to deal with the trauma inflicted by Defendants for the rest of their lives.

14. Plaintiffs seek declaratory judgment, injunctive relief, compensatory and punitive damages, an award of attorney's fees and costs, and such relief as this court deems equitable and just.

JURISDICTION AND VENUE

15. The court has personal jurisdiction over Defendants because Defendants' acts and omissions giving rise to this lawsuit took place in Salt Lake City, Utah.

16. This action arises under 42 U.S.C. § 1983. Jurisdiction is based on 23 U.S.C. §§ 1331 and 1343.

17. Plaintiffs' claims for declaratory relief are authorized by 28 U.S.C. §§ 2201 and 2202.

18. Venue is proper in this Court under 28 U.S.C. §§ 1391(b) and 1391(e)(1) because a substantial part of the events giving rise to this claim occurred in the district and because Plaintiffs reside in the district.

STATEMENT OF FACTS

Defendants' Searches of the Plaintiffs' Home Prior to August 20, 2018

32. On at least two separate occasions prior to August 20, 2018, Defendants arrived at the Plaintiffs' home in search of José Yañez.

33. On the first occasion, in the Spring of 2018, two AP&P officers, one of whom Maria recalls was Officer Chappell, arrived at the Plaintiffs' home in search of José. Those AP&P officers stated that they were seeking to arrest José. Maria and Gilberto told the officers that José did not live in their home and requested to see a warrant. The officers did not produce or show a warrant, but Plaintiffs nevertheless allowed them to enter the home. The two officers conducted an extensive search of the home that included searching inside drawers, closets and beds, breaking down the door to the attic, and causing extensive damage to the home.

34. The two AP&P officers threatened Plaintiffs Maria and Gilberto, telling them they would lose their home if they did not provide them with José's location. The officers also threatened to arrest Gilberto, despite not having any reason to do so. Maria and Gilberto told the officers that they did not know where José was.

35. Following a June 2018 proceeding to forfeit a bond against José, AP&P returned to Plaintiffs' home for a second time to search for José. On this occasion, an AP&P officer, whom several Plaintiffs believe was Officer Chappell, accompanied by a representative from a bail bonds company, arrived at Plaintiffs' home in search of José. Maria once again told the AP&P agent, as well as the bail bonds company representative, that José did not live at their home. Officer Chappell insisted that as a Latina mother, she would and should know where all of her children are at all times. The agent and the bail bonds company representative left the home without further attempts to enter or conduct a search.

Defendants' Unlawful Entry into the Plaintiffs' Home on August 20, 2018

36. Finally, on August 20, 2018, for the third time in a course of a few months, AP&P agents, including Officer Chappell, once again arrived at the Plaintiffs' home in search of José. At the time, José had not lived at the Plaintiffs' home since the Summer of 2017.

37. Plaintiffs Munir, Maria, and Gilberto were in the dining room having dinner when the first Defendants arrived. Officer Chappell initiated a conversation with Plaintiff Munir through the open dining room window.

38. At the time the Defendants arrived, Enrique was upstairs. C.A.Y.G. and A.M.Y.G. were in A.M.Y.G.'s room. Defendants began to shine a light and bang on A.M.Y.G.'s room window. Enrique heard and then came downstairs.

39. The adult Plaintiffs refused to grant Defendants permission to enter into their home. In response, Officer Chappell began to loudly escalate the situation by yelling and arguing. The minor plaintiffs went to the kitchen when they heard the arguing.

40. Upon information and belief, the Defendants were accompanied by one or more representatives of a bail bond company.

41. Plaintiffs repeatedly requested that Defendants produce an arrest or search warrant, and stated that they would allow them to enter if they produced a document providing judicial authorization for the entry. Defendants did not produce or show Plaintiffs any warrant. Absent a warrant, Plaintiffs decided not to grant Defendants permission to enter the home, and told Defendants they could not enter.

42. While an arrest warrant was issued for José, that warrant did not expressly authorize Defendants to enter Plaintiffs' home in search of José.

43. Upon information and belief, Defendants intentionally did not bring a paper copy of the arrest warrant to Plaintiffs' home, as Defendants knew that the

warrant did not list Plaintiffs' home address and instead listed another address unknown to Plaintiffs.

44. Instead of showing a warrant in response to Plaintiffs' requests, Officer Chappell appeared to show Defendants the front page of AP&P's internal file on José.

45. After Plaintiffs repeatedly asked for a warrant to search their home, Defendants stated that they had a warrant to search the home, and promised to produce it. They failed to produce any warrant, and did not provide any explanation for why they had falsely claimed to have a warrant on hand.

46. Officer Chappell repeatedly insisted that a car parked near Plaintiffs' home belonged to José, which, upon information and belief, Officer Chappell, as well as other AP&P Officers, knew was not true. The car belonged to Gilberto, and was registered in his and Maria's name. Defendants showed Plaintiffs a printout of a social media post that showed José in the same photograph as the car, but that photograph had been taken the previous year, and was irrelevant to José's whereabouts at that time.

47. Plaintiffs repeatedly and honestly explained that José did not live in their home and was also not present in their home at that time.

48. In response, Officer Chappell made repeated threats to break down the door and demanded that Plaintiffs open the door.

49. Officer Chappell further repeatedly claimed that AP&P had authority to enter Plaintiffs' home at will because he claimed that AP&P records listed José's address as Plaintiffs' residence. Officer Chappell, as well as other Defendants, however, knew that José was not residing at Plaintiffs' home.

50. Officer Chappell further screamed at Maria that as a Latina mother, he knew that she must know where her son is at all times.

51. The AP&P officers present at Plaintiffs' home on August 20, 2018, were aware that José did not reside at Plaintiffs' home at that time despite Officer Chappell's assertions otherwise. AP&P's own court filings in José's criminal case stated that José had moved out of his parents' house during or before the Summer of 2017.

52. Approximately eighteen officers, including Defendants N. Griffiths, Jindra, Lloyd, Roberts, Salgado, Smith, Walser, and Yates, and John Does 1-12, gathered at the main door of the Plaintiffs' home as Plaintiffs and Defendant Officer Chappell continued to talk through the open dining room window. Some of the officers wore bullet proof vests and/or military-style helmets and gear and made threatening motions towards the family with their gear.

53. At a minimum, Defendants could clearly see that Munir, Maria, and Gilberto were no threat to the officers, as each of them were visible from the windows and had been speaking to Officer Chappell and others for some time. As Officer Chappell and other Defendants knew from their prior permitted search of the home, Plaintiffs had no weapons in the home.

54. None of Enrique, A.M.Y.G. or C.A.Y.G. posed any threat to officer safety at that time either, which was obvious solely from looking at them.

55. Despite not facing any threat at all from this family, or being faced with any exigent circumstances, the Defendants decided to force open the door with a battering ram and rush into the home, bearing a riot shield.

56. As detailed below, Defendants proceeded to attack each of the family members in a manner not remotely warranted by the circumstances.

Defendants' Unlawful Seizure and Use of Excessive Force on Plaintiff Munir

57. After Defendants broke down his door with a battering ram, Munir did not take any action to resist. Munir told the entering Defendants, who were wielding a riot shield, that they had no reason to be afraid and could come further into the home. Nonetheless, Defendants stormed into Plaintiffs' home.

58. Immediately after entering and not giving Munir any opportunity to react in any way, a group of five Defendants, including Officer Yates, immediately

tackled Plaintiff Munir to the floor. The group of five Defendants fully restrained him. Several Defendants, including Officer Yates, held down his arms and legs while another Defendant put his foot on Munir's neck to fully immobilize him. Defendants then proceeded to flip Plaintiff Munir over, so that he was face down on the ground.

59. Once Munir was face down, Officer Chappell screamed that he was about to apply the Taser to Munir. Officer Chappell then proceeded to unnecessarily apply his electroshock weapon to Plaintiff Munir multiple times. Officer Chappell used a Taser on Plaintiff Munir's back for approximately 45 seconds, causing burns and other injuries, and causing Plaintiff Munir to scream out in pain.

60. Officer Chappell's application of the Taser to Munir was wholly unnecessary and sadistic. Even if Munir had continued to move, and even if that movement was voluntary, his movements posed no threat to the multiple officers who were literally on top of him.

61. Officer Chappell shocked Munir with his electroshock weapon solely for the purpose of causing him pain as punishment for not immediately granting Defendants permission to enter his home. Officer Chappell put Munir's life and physical safety at substantial risk in doing so.

62. While he was being subjected to the Taser, Munir screamed in extreme pain and distress, sounding like he was losing his life.

63. All Plaintiffs, including Munir's children A.M.Y.G. and C.A.Y.G., witnessed the Taser attack, hearing and seeing the effects of their husband or father being subjected to extreme physical abuse and mental distress in their own living room.

64. After burning him with the Taser, Defendants, including Officer N. Griffiths, handcuffed Munir and removed him from the home. Defendants kept him pinned face down in the grass in his own front lawn, in front of his family and neighbors, for approximately two and a half hours while the search of the home was conducted. Plaintiffs themselves had to call for medical help to assist their battered and traumatized family members, as Defendants did not do so. Defendants did not provide any medical attention to Munir during this time.

65. While Defendants were detaining Munir on the ground outside his home, an agent of the United States Immigration and Customs Enforcement took a record of Munir's fingerprints forcibly and against Munir's will.

66. After he was finally allowed off the ground, some of the Defendants, including Officer Andrew Burdine, put Munir into a car and drove him to the Salt Lake County Jail.

67. During the drive, the Defendants who were in the car mocked Munir and told him he would be deported, saying something to the effect of “You’re going to be in Mexico tomorrow.”

68. Munir was forced to wait for many hours in the booking area of the jail. Once he was finally processed by the booking personnel of the jail the next day, he was told that he was going to be released on his own recognizance.

69. None of the Defendants told Munir the purported charges upon which they transported him for pre-trial detention at the jail. Regardless of the purported basis for his arrest, however, no state, county, or local prosecutor has ever pressed any charge against Munir related to any of his behavior on August 20, 2018.

Defendants’ Unlawful Seizure and Use of Excessive Force on Plaintiff Maria

70. Upon rushing in to her home, two Defendants aggressively shoved Maria to the ground using a riot shield. When those Defendants attacked Maria, she was not acting in a manner in any way threatening to them.

71. In a humiliating and harmful fashion, one of those Defendants grabbed Maria on her crotch, then lifted Maria by the front of her shirt and threw her onto the sewing machine. The two Defendants then forcibly twisted her arms behind her back, handcuffed her, and removed her from the home, only eventually removing the handcuffs.

72. One or more of Maria's minor children saw her treated in this degrading, sexually violent, and shocking fashion in their own home.

73. Defendants kept Maria detained outside the home for approximately two and a half hours, despite having no reasonable suspicion that she had committed any crime.

Defendants' Unlawful Seizure and Use of Excessive Force on Plaintiff Gilberto

74. Upon rushing into Plaintiffs' home, two Defendants moved towards Gilberto with weapons drawn and trained on him. Gilberto had nothing in his hands except his cell phone, a fact which Defendants knew because he had been conversing with them through the window. Gilberto was not acting in any manner that was a threat to the safety of the officers who were rushing towards him. Nonetheless, several Defendants, including Officers Chappell and Walser, pinned Gilberto against a couch, forcibly twisted his arms behind his back, and handcuffed him.

75. Those Defendants then forced Gilberto out of his house. Once outside, a different Defendant pinned Plaintiff Gilberto to the ground. Defendants kept Gilberto on the ground for two and a half hours.

76. Defendants questioned Gilberto despite lacking any reasonable suspicion that he had committed a crime.

77. Defendants also repeatedly failed to state a reason for detaining Plaintiff Gilberto.

78. During their time inside Plaintiffs' home, Maria became aware that Defendants had placed a knife on the couch next to Gilberto's cell phone, near where Gilberto had been pinned.

79. Maria made this discovery because, during the two and a half hours that she was detained outside her house, Defendants at one point did not react as Maria walked into her home. When she entered, she was shocked to see Officer Chappell and other Defendants gathered around the couch looking at a kitchen knife that she had seen in her kitchen before the Defendants had come in.

80. Maria immediately expressed shock and chastised those Defendants for planting evidence against her family, which they falsely denied by claiming that Gilberto had been holding it.

81. After two and a half hours, some of the Defendants, including Officer Andrew Burdine, drove Gilberto to the Salt Lake County Jail.

82. Gilberto was forced to wait for many hours in the booking area of the jail. Once he was finally processed by the booking personnel of the jail the next day, he was told that he was going to be released on his own recognizance.

83. None of the Defendants told Gilberto the purported charges upon which they transported him for pre-trial detention at the jail. Regardless of the purported basis for his arrest, however, no state, county, or local prosecutor has ever pressed any charge against Gilberto related to any of his behavior on August 20, 2018. Specifically, Gilberto was never charged with any behavior involving supposedly wielding a kitchen knife against his armor-clad, assault weapon-wielding assailants.

Defendants' Unlawful Seizure and Use of Excessive Force on Plaintiff Enrique

84. As Defendants entered the home, three Defendants pointed assault rifles at Enrique's head, despite the fact that Enrique did not pose a threat to the safety of them or any other officer. Enrique froze in fear at the sight of the weapons.

85. One Defendant ordered Enrique to sit down on the kitchen floor and not move. A second Defendant handcuffed Enrique, despite the fact that he posed no threat to Defendants, and despite the fact that he was a minor.

86. Enrique witnessed his father Munir being tased by other Defendants. While Munir was being shocked, Enrique heard his father scream in agony. Enrique also witnessed other Defendants tackle his mother, forcibly twist her arms behind her back, handcuff her, and lead her outside the home.

87. Defendants then forced Enrique outside and detained him on the sidewalk near his siblings. During the time he was detained, Enrique suffered a panic attack. Defendants did not remove Enrique's handcuffs until A.M.Y.G. told Defendants that he was a minor.

88. Enrique was detained outside the home for two and a half hours.

Defendants' Unlawful Seizure and Use of Excessive Force on Plaintiff A.M.Y.G.

89. Upon entering the home, several Defendants moved towards Plaintiff A.M.Y.G., a minor, bearing drawn weapons. A.M.Y.G. backed up into the kitchen area. Defendants, including Officer N. Griffiths, then directed A.M.Y.G. to jump out the dining room window, approximately four feet high, to their front yard where two more Defendants were waiting to continue to detain them.

90. A.M.Y.G. witnessed their father Munir being tased by other Defendants. While Munir was being shocked, Plaintiff A.M.Y.G. heard their father scream in agony. A.M.Y.G. also witnessed other Defendants tackle their mother, grab her in a degrading fashion, forcibly twist her arms behind her back, handcuff her, and lead her outside the home.

91. Defendants, including Officers A. Griffiths and Salgado, then detained A.M.Y.G. on the sidewalk, barefoot, for approximately two and a half hours. One or more Defendants, including Officer Salgado, repeatedly asked her

questions about José. One of the Defendants told the children that if they did not follow orders, they would call Child Protective Services and the children would be taken from their family.

Defendants' Unlawful Seizure and Use of Excessive Force on Plaintiff C.A.Y.G.

92. Upon entering the home, several Defendants moved towards Plaintiff C.A.Y.G., a minor, bearing drawn weapons. C.A.Y.G. backed up into the dining room area. Defendants, including Officer N. Griffiths, then directed C.A.Y.G. to jump out the dining room window, approximately four feet high, to their front yard where two more Defendants were waiting to continue to detain them.

93. C.A.Y.G. witnessed their father Munir being tased by other Defendants. While Munir was being shocked, Plaintiff C.A.Y.G. heard their father scream in agony. C.A.Y.G. also witnessed other Defendants tackle their mother, forcibly twist her arms behind her back, handcuff her, and lead her outside the home.

94. Defendants, including Officers A. Griffiths and Salgado, then detained C.A.Y.G. on the sidewalk, barefoot, for approximately two and a half hours. One of the Defendants told the children that if they did not follow orders, they would call Child Protective Services and the children would be taken from their family.

Defendants' Unlawful Search of the Plaintiffs' Home

95. After all Plaintiffs had been detained and removed from their home, Defendants, including Officer Roberts, proceeded to conduct a destructive search of the home.

96. Despite purportedly being present at the home to search for José, Defendants opened and emptied drawers, undid the beds, and tossed clothing and paperwork around the rooms.

97. Defendants also broke down the doors to the bathrooms and the attic, and pulled insulation out of the attic walls, littering it all over the house.

98. Defendants searched every cabinet, closet, and drawer of Plaintiffs' home.

99. One or more Defendants also stole \$7,000 in cash from Plaintiffs, which they found inside the pockets of a coat that was hung in a closet. Plaintiffs were saving the stolen money for A.M.Y.G's traditional fifteenth birthday party. The money has not been returned to Plaintiffs.

100. Plaintiffs are aware of another case in which a law enforcement team that included AP&P officers allegedly took money from a family who was the target of a military-style raid.

AP&P's Fugitive Apprehension Team

101. Upon information and belief, AP&P has five “Fugitive Apprehension” or “Fugitive Recovery” teams across the state tasked with finding and arresting parole violators. AP&P officers are assigned to recovery teams for up to 18 months at a time. The same AP&P officers work with the U.S. Marshals Service’s Violent Fugitive Apprehension Strike Team (“VFAST”), a multi-agency task force led by the U.S. Marshals Service but comprised of AP&P and various police departments across the state of Utah. AP&P has assigned at least one full-time agent to VFAST beginning at the latest in February 2016.

102. AP&P agents assigned to a Fugitive Apprehension Team and/or VFAST are trained for tactical, military-style operations and high-risk situations. These agents and others on their teams are indiscriminately utilizing such training even in low-risk situations, such as entry into family homes involving children, the elderly, and other vulnerable populations.

103. Upon information and belief, some or all of Defendant agents are a combination of AP&P agents on the Fugitive Apprehension Team and/or agents assigned to VFAST. These agents are among those responsible for the unlawful search, seizure, and use of excessive force against Plaintiffs.

104. As a result of AP&P Fugitive Apprehension and VFAST training, Defendants utilized high-risk tactical operations to enter, search, and seize Plaintiffs, despite the fact that Plaintiffs posed no threat to Defendants. Defendants used battering rams, riot shields, SWAT-style gear, and assault weapons against Plaintiffs despite the fact that Plaintiffs were unarmed and included three minors.

105. Defendants' actions on August 20, 2018 are part of a pattern, practice, and/or custom of AP&P involving the systemic use of violent, military-style tactics in situations in which such tactics are not reasonably necessary given the circumstances.

106. On August 20, 2018, after illegally detaining Plaintiffs and having no probable cause to continue to detain them, one or more Defendants called members of VFAST and Immigration and Customs Enforcement agents to come to Plaintiffs' home to investigate Plaintiffs, inviting an improper fishing expedition that likely unnecessarily prolonged Plaintiffs' unlawful detention.

107. Moreover, upon information and belief, the actions of the AP&P agents on August 20, 2018 are part of a pattern, practice, and/or custom of deploying excessive force against family members of fugitives under AP&P's supervision in retaliation for family members not providing information to help AP&P apprehend those fugitives.

108. Even after it became clear to Defendants that José was not in the home, Defendants threatened to return to the home if they could not locate José on the day of the raid.

109. On information and belief, the events of August 20, 2018 are the result of a pattern and practice of AP&P allowing bail bond company agents to co-opt AP&P tactical teams in an effort to conduct violent raids on residences in search of fugitives who are close to defaulting on bonds and costing the bail bond companies money.

110. In particular, at the time of the events of August 20, 2018, José had defaulted or was soon to default on his bond. Given that the AP&P had previously appeared at Plaintiffs' home in search of José with a bond company agent at a time previously when José was close to defaulting his bond, this belief is well founded.

111. Plaintiffs hereby incorporate the allegations above as if fully made herein.

112. Plaintiffs seek an award of compensatory and punitive damages and declaratory relief against defendants, individually, as listed in Counts I through XV

below pursuant to 42 U.S.C. § 1983, as a result of their actions which deprived Plaintiffs of their Constitutional rights.

113. In performing the acts alleged in this Complaint, Defendants, individually and/or while acting in concert with one another, did act under color of state law to deprive Plaintiffs of their clearly-established rights guaranteed by the United States Constitution, including but not limited to:

- a) The right to be free from unreasonable searches and seizures;
- b) The right to be free from the use of excessive force;
- c) The right to due process of law;
- d) The right to equal protection of the law.

114. Said rights are guaranteed under the Fourth and Fourteenth Amendments to the United States Constitution.

117. Defendants' violation of all Plaintiffs' Fourth and Fourteenth Amendment rights was intentional, malicious, oppressive, egregious, and/or done with a conscious or reckless disregard for Plaintiffs' clearly-established constitutional rights. As a result, Plaintiffs are entitled to an award of punitive and exemplary damages against Defendants in amounts to be determined according to proof.
